TSA DCA Access Training (DASSP)

FIXED/ROTOR WING

IPAD COMPATIBLE

APPROX 2-3 HRS

Our TSA course meets the initial and recurrent training requirements of the TSA DCA Access Program (DASSP) and addresses the training requirements specified in 49 CFR Part 1562 Subpart B, as well as the 49 CFR Part 1520 training requirements for the protection of Sensitive Security Information (SSI).

Our TSA DASSP course is designed to meet the needs of operators who are subject to the requirements of the DASSP and are authorized to fly into and out of the Ronald Reagan Airport (DCA). The course includes Common Strategy Guidance training required for Security Coordinators and Flight Crews as well as an overview of the requirements of the DASSP.

Whatever your training needs, we have them covered.
