PREVENTING WORKPLACE HARASSMENT

FIXED/ROTOR WING

IPAD COMPATIBLE

APPROX 1.4 HRS

Preventing Workplace Harassment covers the different types of harassment and teaches preventative measures as well as solutions to harassment problems in the workplace. This subject was designed to meet general EEOC training guidelines, and may fully or partially meet requirements for individual states.

All CTS training also includes built-in record keeping, tracking each student's progress accurately and effortlessly over the internet. To help you create a training program designed specifically for your organization, these courses can be assigned as standalone courses, or integrated into a more inclusive training package.
