# Safety Management Systems (SMS)

**FIXED/ROTOR WING**

**IPAD COMPATIBLE**

**APPROX 2.2 HRS**

Safety Management Systems provides an excellent introduction to understanding how an effective SMS works and introduces the concepts of safety theory, safety culture, and the four pillars of SMS. We also provide an introduction to internal evaluation programs and emergency response plans which are a part of a healthy Safety Management System.

For Part 135, Part 125, and Part 91 pilot training, our Introduction to Safety Management Systems course provides essential training for all levels of an organization.
